## FOR IMMEDIATE RELEASE

June 5, 2012

### Port Alberni Port Authority Names New CEO

**PORT ALBERNI** – The Port Alberni Port Authority is pleased to announce the appointment of Zoran Knezevic as new Chief Executive Officer effective July 3, 2012.

Mr. Knezevic has accumulated over 26 years in the shipping industry, port and terminal systems management including as an officer for the Yugoslavian Merchant Marines. Upon moving to Canada in 1992 he continued his career in the marine industry starting at the Montreal container terminal and then at Deltaport, where he spent more than ten years. Most recently he has worked as an industry consultant through his own company, Portside Solutions, with focused expertise being provided to stakeholders involved in trucking and drayage; operational and management solutions for marine and container terminals; and development and implementation of terminals operating software. The Port Alberni Port Authority and Mr. Knezevic expect that his experience and talents will be fully utilized to assist the port meet its current challenges and take advantage of future opportunities as the regional, national and global shipping economy evolves.

Mr. Knezevic will take over the helm of the Port Authority for Mr. Madelung who is retiring this summer to pursue other interests. The Board of Directors would like to take this opportunity to thank Mr. Madelung for his years of service at the Port Authority and to offer their best wishes in his future endeavours.

Mr. Knezevic looks forward to moving his family to Port Alberni where they can all enjoy the quality of life shared by all residents in the Alberni Valley.
