FOR IMMEDIATE RELEASE

Port Alberni Port Authority to Cease Fuel Sales from Clutesi Haven Marina

September 12, 2016

Port Alberni – The Port Alberni Port Authority (PAPA) will cease marine fuel sales from Clutesi Haven Marina imminently.

Given the aged infrastructure of the fuel storage tanks and associated equipment as well as the new marine fuel dock facility at Tye Landing Pier PAPA will discontinue its fuel sales upon depleting its current stored fuel volume at Clutesi Haven Marina. With the current volume stored and the pace of current sales the Port expects the final fuel customer will be served during this upcoming weekend.

PAPA is encouraged by the service provided by Port Alberni Marine Fuels and Services Ltd. from the new fuel dock at Tye Landing Pier adjacent to Fishermen's Harbour. This facility is ideally located and designed to efficiently and effectively supply recreational and commercial vessels of all sizes. Owners, Doug and Sandi Smith, started business over the Salmon Festival Labour Day Long Weekend with great support by marine vessel operators. We look forward to their business continuing to grow and enhance the important and growing marine sector in Port Alberni.

Fuel sales will continue per normal from the China Creek Marina fuel dock until further notice.
