The Port Alberni Port Authority is pleased to announce that Mike Carter has been promoted to Director of Operations effective July 1, 2017.

Mike has been with the port since 2009 and has advanced through progressively more responsible positions at the marinas, marine facilities and currently in terminal operations where Mike has played a key role since September 2013. Mike brings a wealth of experience to all the operations of the port and we are excited about his new role with the port.

As a result of this promotion, Mike will oversee all port operations inclusive of the terminals, marinas, campground, piers and capital projects. Organizational reporting structures will have the Manager of Marina Services and Operations Manager report to Mike directly. Mike will continue to focus on growth and new development at the terminal, as well as with all of the port's operations.

Please join me in congratulating Mike in his new role as Director of Operations.
