

2017 Pier Pressure

Radio Sailing
Model Boat Regatta

Saturday August 19, 2017

Harbour Quay, Port Alberni BC

10:30 AM—4:00 PM

Drop By And Take In The Action

The West Coast International One Metre crew are back in town for another chance to sail off the Harbour Quay. These boats, and their skippers, will assure some close racing action .

Drop by and watch any time through the day and between races ask any of the competitors about their boats and our racing around the West Coast of Canada.

This event is leg #6 in our annual Coastal Cup Challenge Series so there are valuable points at stake.
