

PORT ALBERNI PORT AUTHORITY

Water Street Wharf

The Port Alberni Port Authority (PAPA) advises the public that all operations at and use of the Water Street Wharf on Harbour Road are no longer permitted due to structural safety concerns. Safety is of the Port Authority's highest priority. Therefore, PAPA regrettably must close the Water Street Wharf immediately and indefinitely.

Questions may be directed to Port Alberni Port Authority Harbour Master:
Capt. Steve Baxter, 250-723-5312
