Port Alberni Port Authority ANNUAL MOORAGE APPLICATION

ANNUAL MOORAGE WAITLIST POLICY

- \$25.00 non-refundable deposit and the Annual Moorage Application must be submitted to register for the Waitlist.
- Port Authority staff will allocate open slips by length of berth
- Waitlist members with boats shorter than the available slip may accept the moorage opportunity but must pay the full rate for the length of that berth. However, the member may decline this opportunity in order to continue waiting for an appropriate sized berth without removing their place from the list.
- Waitlist members are responsible to ensure Marina Staff is notified of any changes to contact information or boat length. Failure to do so will result in forfeiture of the member's place on the Waitlist.
- Waitlist members will have 4 days to respond to the moorage opportunity upon notification by Port Authority staff. Failure to do so will cause the member to be removed from the Waitlist.
- If a Waitlist member declines an appropriate berth they will be removed from the Waitlist.
- Once a Waitlist member is removed from the Waitlist the member must reapply if interested in future moorage.
- Current tenants on "Tenants Requesting Change in Moorage" list will be given priority for open berths.
- As the Moorage Waitlist is updated, the original will be saved for a maximum of 3 years.
