- Concrete and Wood Construction

500' x 35' Pier

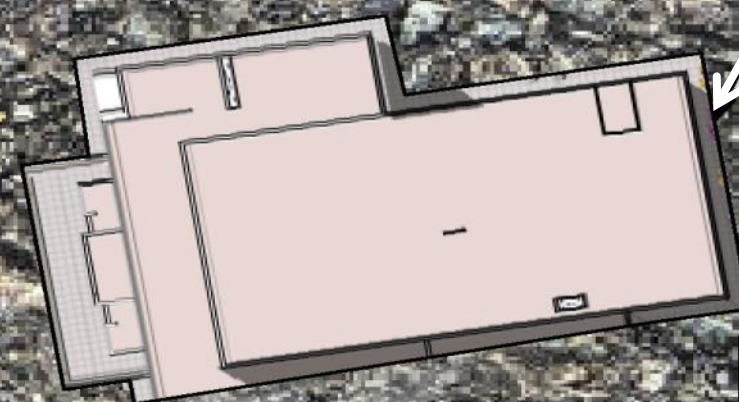

150' x 20' Pier

This aerial photograph shows a harbor area with two piers. The larger pier, labeled '500' x 35' Pier', is a long, straight structure. The smaller pier, labeled '150' x 20' Pier', is a shorter structure. Several ships are visible, including a large white ship, a green ship, and a grey ship. A blue building is visible in the background.

Shipyard Entrance
