MIKE CARTER PROMOTED TO VICE PRESIDENT OF OPERATIONS

The Port Alberni Port Authority is pleased to announce that Mike Carter has been promoted to Vice President of Operations effective January 1, 2022.

Mike has been with the port since 2009 and has advanced progressively through positions of increased responsibility at the marinas, marine facilities and currently in terminal operations where Mike has been the Director of Operations since 2017. Mike brings a wealth of experience to all the operations of the port and we are excited about his new role.

As a result of this promotion, Mike will continue to oversee and direct all port operations inclusive of the terminals, marinas, campground, piers and capital projects. He is also accountable for the management of port communications, marketing, and public relations.

Mike will continue to focus on growth and new development at the terminal, as well as with all of the port's operations.

Please join me in congratulating Mike in his new role as Vice President of Operations.
