Re: 97' Concrete Float for Sale - Sealed Bid Disposal Process

The Asset:

The Port Alberni Port Authority (PAPA) is selling a 97' long by 8' wide section of concrete float, as is where is. The dock is thirty plus years old.

The Process:

All sealed bids must include name, address and phone number of bidder and dollar amount bid. There is a minimum of five (5) days from the offering until the closing of the sealed bid collection. The sealed bidding is for public and PAPA employees alike and limited to one entry per person. A review of the bids will be conducted by the Director of Finance and one other PAPA employee that is not involved in the sealed bid process to obtain the asset. The selected individual(s) will be the highest bid received and does not need to be present. All sealed bid entrants will be notified in writing of the outcome.

Location:

The asset can be viewed at Clutesi Haven Marina, 5104 River Road, at the bottom of the gangway to the right of the white shed. It can be viewed from the parking lot above, otherwise on-site viewing will take place November 13, 2022 between 1:30pm and 3:00pm.

Bids:

Please deliver sealed envelope bids by November 21, 2022, 4:00pm to:

Port Alberni Port Authority
